2                      G<sup>b2</sup>    BM<sup>7</sup>  
When Your Spirit came, when the choice was made.  
                                 G<sup>b2</sup>    BM<sup>7</sup>  
How hard it became to defend Your name.

## Pre-Chorus

                                 B                      D<sup>b</sup>/B<sup>b</sup>  
You have come to rescue me  
                                 G<sup>b</sup>    B<sup>2</sup>  
though I don't know quite why.  
                                 B  
What You gave,  
                                 D<sup>b</sup>                      G<sup>b</sup>                      |B |A<sup>b</sup>m                      |B/D<sup>b</sup>  
for I am just so young here in Your eyes.

## Chorus

                                 G<sup>b</sup>                      D<sup>b</sup><sub>sus4</sub>/F  
Still Your spirit comes.  
                                 E<sup>b</sup>m<sup>7</sup>                      D<sup>b</sup>  
Yes, Your spirit comes to me.  
                                 B    G<sup>b</sup>/B<sup>b</sup>  
To fill my heart and let me know  
                                 A<sup>b</sup>m<sup>7</sup>    B/D<sup>b</sup>  
that You are here with me.

and live inside of me.

When the challenge comes, and the battle's done.

Let my life be turned, beating for the one.

For You are the Lord, and Your love pours out.

**G<sup>b</sup>2**

**BM<sup>7</sup>**

Raining over me like a flood in drought.
